DrHareesh Kumar R S 	Vice Principal (Admin) & Prof of Forensic
DrHareesh Chandra 	Professor of Paediatrics

Dean Sir welcomed the members and initiated the meeting. Members were also informed that first year exams slated to start in last week of July have been postponed to August and due to problems in the NEET – the entry of batch of 2024 could also be delayed and also PG batch admission also could be delayed.

He, however said the curriculum committee should get ready with the schedule for the 2024 MBBS batch and also for the other phases of MBBS as per CBME guidelines.

The new guidelines expect students to be assessed for Library postings, MCQ, OSCE, OSPE, Seminars etc. so while preparing the schedule, time should be incorporated for these activities so that they can be assessed.

All departments should prepare for their internal marks as per the 2023 CBME guidelines. Also proper documentation of these marks should be maintained.

A discussion on continuous faculty development was also held. As many new faculties have joined, it was decided to have a faculty development programme on Teaching technologies on an ongoing basis, starting with ENT and Ophthalmology departments. Vice Principal (Admin) and MEU should take the initiative of organizing the same.

Uploading of Annexures to Nodal Centre.

The curriculum committee members were requested to ensure that the departments under them submit the documents to MEU coordinator immediately.

Minutes of the meeting held on 1 March 2022

A meeting was held on 1 March 2022 for assessing the status regarding the completion and finalization of the time table for the final MBBS Part I.

Forensic Medicine, Community Medicine, General Medicine and DVL have completed the task of updating their competencies in the Google Sheet.

Paediatrics, Ophthalmology and Psychiatry have prepared the schedule of their competencies and will be updating shortly.

Orthopaedics will also complete the task soon.

HOD/ Faculty from ENT, Surgery, OBG, Radiology, Anesthesia, and Emergency Medicine did not attend the meeting and not conveyed the status of the time table preparation.

However, all have been requested through the minutes of the meeting, to complete the task and upload their competencies by 10 March 22.

Hard and soft copies of the time table with the name of the full topic and competency (in the format given) for all the blocks should be submitted to MEU coordinator by 10 March 2022.

- An exchange of theory class between 8 - 9 am Tuesday General Medicine and Wednesday Ophthalmology was acceded to.
- Suggestion of having a whole batch in the afternoon has been made instead of half the batch on two days for tutorials, Small group discussions and seminars.
- For the final year Part 2 Non CBME batch, it was requested that subjects should be spread out and not to have the same subject for all classes on the same day.

Dr Indira Senior Resident Microbiology

Dr Anil R – Assistant Professor Community Medicine

Dr Chitra Nagaraj – Prof & HOD Community Medicine

Discussion for preparation of time table for second years was held. It was told that as this will be the second year of the CBME batch with a template in place, **we will continue to follow the same pattern with minor changes, depending on the time available.**

Dr Pawar HOD of Forensic Medicine had made a prior request for a change in the sequence of Forensic Medicine classes, the request was acceded to. The topics for the whole year would be listed and requirements of Tutorials, Seminars, Small Group Discussion, etc will be followed.

As there was no representative from Pharmacology department available for the meeting, it was decided they would be updated regarding the discussions.

It was requested that the time table for second year subjects should be submitted by 22 February 2022.

Day 3: 20 January 2022 for 3rd year MBBS

Attended by

Dr Ramaswamy Prof & HOD Pathology

Dr Pawar G S Prof & HOD of Forensic Medicine

Dr Dilip Senior Resident ENT

Dr Ananta Nag Senior Resident Ophthalmology

Dr Devi Vara Prasad M – Assistant Professor Community Medicine

Dr Chitra Nagaraj – Prof & HOD Community Medicine

The first batch of CBME ie batch of 2019 would be entering the third year.

A presentation was made to orient the staff on the various changes which are there in the CBME through a power point presentation.

They were sensitized about the hours for theory, practical and clinical postings and the teaching learning methods to be followed. They were shown how the year was divided into blocks and then the breakup of hours for each subject.

The competencies for the subjects were shown and they were oriented on how to make the time table for their subjects.

The needed material for the preparation of the time table would be mailed to them (already mailed.)

All the stake holders were asked to prepare the time table for the whole year including the clinical postings for the second year and third year and submit by 22 February 2022.

Day 4: 21 January 2022 For 4th year MBBS

Attended by

Dr Ramaswamy Prof & HOD Pathology

Dr Sreelatha P Prof Of Psychiatry

Dr Lakshmi Visruja Associate Professor Medicine

Dr Satish Assistant Professor Surgery

Dr Sabitha US Professor of OBG

Dr Prakash Babu Assistant Professor of Emergency Medicine

Dr Sudeep Assistant Professor of Orthopaedics

Dr Namitha C Assistant Professor of DVL

Dr Naga Praneetha PG Resident Radiology

Dr Devi Vara Prasad M – Assistant Professor Community Medicine

Dr Chitra Nagaraj – Prof & HOD Community Medicine

The first batch of CBME ie batch of 2019 would be entering the third year. They will also have classes of all clinical subjects.

A presentation was made to orient the staff on the various changes which are there in the CBME through a power point presentation.

They were sensitized about the hours for theory, practical and clinical postings and the teaching learning methods to be followed. They were shown how the year was divided into blocks and then the breakup of hours for each subject.

The competencies for the subjects were shown and they were oriented on how to make the time table for their subjects.

The clinical faculty expressed that it is possible to put the clinical time table in advance for the year, but it would be very difficult to follow it, as many times the availability of the particular case is not guaranteed.

The needed material for the preparation of the time table would be mailed to them (already mailed.)

All the stake holders were asked to prepare the time table for the whole year including clinical postings and theory for second third and final years and submit by 22 February 2022.

Deans Comments: All Clinical departments to note that they should put clinical time tables every month in advance, giving the type of the case to be discussed and the faculty who will be taking the session. This information should be made known to all the students, by putting up in the notice board, whats app group etc.

Minutes of the meeting of 29th January 2018

A meeting of the MEU was held at the Psychiatry Seminar Room, PESIMSR Hospital Campus, on 29th January 2018, 2.30 pm to discuss about Medical Ethics workshop for the interns batch of 2018. The following members were present

1. Dr HR Krishna Rao
2. Dr Subramaniyan P Coordinator
3. Dr Subba Rao Ryali V
4. Dr Venugopal Rao T
5. Dr Chitra Nagaraj

The agenda was

- Planning for Medical Ethics workshop for the interns batch of 2018
- Any other subject related to Medical Education

The following decisions were taken

1. The need for ethical behaviour is very important for all professionals. The foundation for this should be laid at the earliest. With this in mind the MEU team of PESIMSR decided to start Ethics workshop for the fresh interns of batch of 2018. It would be conducted first before starting the regular internship programme.
2. It was decided to hold a one day workshop and to have an interactive workshop with a lot of role plays
3. The following topics would be taken
 - Introduction to Ethics
 - Ethical scenarios in relation to emergency medicine, Emergency medicine, OBG, Psychiatry, Medicine and Research and Surgery.
 - It was also decided to orient them to interpersonal relationships at various levels when they work in the hospital eg Doctor – Doctor, Doctor – Nurse, Doctor – Class – VI etc
4. Dr Subramaiyan P would prepare the time table and circulate to all the members
