## Annual Report

## ANNUAL REPORT 2023 - 24

PES Institute of Medical Science and Research (PESIMSR), Kuppam was established in 2001 by Peoples Education Society with a mission to provide state-of- the-art, affordable health-care to the poor and needy people in rural setup and to create globally competent, humane healthcare professionals through value-based education system. It was inaugurated by Dr. A. P. J. Abdul Kalam.

PESIMSR celebrating our 23rd anniversary, it was the dream of Founder Chairman Dr.M.R.Doreswamy to establish a Medical College & Hospital in rural area, this has taken a concrete shape, due to his single minded devotion, belief dedication sacrifice and unflinching support from the CEO Prof.D.Jawahar, Medical Director Dr.Suresh Krishna, AMD Dr.Roopaa Suresh, COO Prof. Ajoy Kumar and all the well wishers. This is the most modern medical college in the Rayalaseema Districts of Andhra Pradesh, Providing education to the budding Doctors and State of the art medical health care to the local population, and also to those from bordering districts of Tamil Nadu & Karnataka. PESIMSR, Kuppam is recognized by NMC & Govt. of India, Ministry of Health & Family Welfare for both UG & UG courses.

PESIMSR has continued its tradition of excellence in the academic year 2023-24, achieving significant milestones in medical education, healthcare services, research, and community engagement. The institute's mission to produce world-class medical professionals while serving society has been upheld through dedicated efforts in academic innovation, infrastructure development, and outreach programs.

## Academic Achievements

**Curriculum Development and Innovations:** The academic year 2023-24 witnessed the successful implementation of a revised curriculum that focused on integrating modern medical technologies, ethical medical practices, and holistic healthcare approaches. New modules on telemedicine and AI-driven diagnostics were introduced, reflecting the growing influence of digital health in modern medical education.

**Faculty Development Programs (FDPs):** The Medical Education Unit (MEU) at PESIMSR organized several Faculty Development Programs during the year, focusing on enhancing teaching methodologies, promoting evidence-based medical education, and integrating simulation-based learning.

**Student Performance and Achievements:** PESIMSR students excelled in both academics and extracurricular activities. A notable achievement was the outstanding performance in the final MBBS examinations, with a pass percentage of 95%. Several students secured top ranks in university examinations. In addition, the students actively participated in various activities conducted.

## Research and Innovation

**Research Contributions:** The year 2023-24 was a landmark year for research at PESIMSR. Over 50 research papers were published in national and international journals, contributing significantly to advancements in various medical fields. The Department of Pharmacology led the way with innovative studies on new drug therapies for cardiovascular diseases, while the Department of Community Medicine conducted impactful research on public health interventions in rural areas.

## Healthcare and Community Outreach

**Healthcare Services:** PESIMSR's teaching hospital continued to offer exemplary healthcare services to the community. Over 100,000 patients were treated at the hospital in 2023-24, with specialized care provided in cardiology, oncology, orthopedics, and obstetrics. The hospital's free health camps, organized in rural areas around Kuppam, reached over 15,000 beneficiaries, providing essential medical services, screening, and awareness programs.

**Outreach Programs and Extension Activities:** The institute's extension activities played a crucial role in promoting health and wellness in the region. In collaboration with local government bodies, PESIMSR organized several health awareness campaigns. Noteworthy events include the "World Diabetes Day" campaign in November 2023, which provided free diabetes screening and education on lifestyle management to over 2,000 participants.

The institution also continued its efforts in maternal and child health, with outreach programs focusing on reducing infant and maternal mortality in rural communities. These programs, conducted under the aegis of the Department of Obstetrics and Gynecology, were well-received by local populations and recognized by government health agencies.

## Student Welfare and Extracurricular Activities

**Student Council Activities:** The Student Council at PESIMSR was actively involved in promoting student welfare and organizing various events throughout the academic year. The council hosted the "Medical Students' Cultural Fest," a week-long event featuring academic competitions, cultural performances, and sports. The event fostered camaraderie and team spirit among the students, with many participants showcasing their talents.

**Sports and cultural activities:** The PESIMSR organized sports and cultural activities. The Inauguration of Doctors Premier League – 11th Edition, Annual Tennis Ball Cricket & Volleyball Tournament held from 8.08.2023 to 11.08.2023. This Popular Tournament is held Every year. There were 10 teams of medical, PG, AHS students, staff & Faculty participating in the event. PESIMSR also sponsored a cricket tournament for Deaf & Dumb students from the schools of Rayalaseema region.

## Infrastructure Development and Digital Transformation

**IT Infrastructure and Digital Learning:** PESIMSR continued to invest in its IT infrastructure, ensuring that students and faculty had access to the latest technology for learning and research. The institute upgraded its Wi-Fi network with 1Gbps, expanding coverage to all areas of the campus, including the library and student hostels. New high-performance computer labs were also established, facilitating research and virtual learning platforms.

**Library Automation and Resources:** The PESIMSR library underwent further automation in the year, enhancing its Integrated Library Management System (ILMS). The library now offers a fully digital catalog, enabling remote access to e-books, journals, and research databases. The library also hosted a series of workshops on “Effective Use of Digital Resources” for students and faculty.

## Social Responsibility and Inclusivity

**Gender Equity Initiatives:** PESIMSR continued its focus on promoting gender equity within the institution. Gender sensitization workshops and discussions on gender inclusivity in medical practice were regularly held throughout the year. The institution also enhanced facilities for women, including the establishment of a dedicated women's counseling center.

**Inclusive Environment and Cultural Harmony:** PESIMSR has always emphasized tolerance and harmony within its diverse student body. The institution celebrated national festivals and international commemorative days, such as Republic Day (January 26, 2024), International Yoga Day (June 21, 2024), Independence Day (August 15, 2023), Onam (August 29, 2023), and Ganesha Festival (September 18, 2023), etc., promoting a sense of unity and cultural awareness among students from different regions and backgrounds.

## Alumni Engagement

**Contributions from Alumni:** The Alumni Association of PESIMSR continued to play a pivotal role in institutional development. The alumni pledged financial support for scholarships and infrastructure development. Alumni also conducted career guidance sessions for final-year students, sharing their experiences in various medical specializations.

## Quality Assurance and Institutional Governance

**Internal Quality Assurance Mechanism:** The Internal Quality Assurance Cell (IQAC) at PESIMSR conducted regular audits and feedback sessions to ensure continuous improvement in academic and administrative functions. The IQAC also spearheaded the institution's self-assessment for accreditation purposes, ensuring compliance with the latest medical education standards. The PESIMSR is accredited with both NABH & NABL Accreditation.

**Governance and Management:** The institution's transparent governance structure allowed for participatory decision-making, with students, faculty, and administrative staff contributing to key institutional policies.

The academic year 2023-24 has been one of growth, innovation, and community service for PESIMSR, Kuppam. The institute remains committed to its vision of being a leader in medical education and healthcare delivery. With continued efforts toward academic excellence, research, and social responsibility, PESIMSR looks forward to furthering its contributions to society in the years to come.

## Annual Report 2019 - 20

The academic year 2019-20 has been a year of progress and accomplishment at PES Institute of Medical Sciences and Research (PESIMSR), Kuppam. As an institution committed to excellence in medical education, research, and healthcare services, PESIMSR has continued to expand its reach, improve infrastructure, and enhance its academic programs to ensure holistic student development and community welfare. This report highlights the significant achievements, milestones, and events that shaped the year.

**Academic Achievements:** PESIMSR maintained its focus on academic excellence by achieving impressive results in university examinations and enhancing its academic programs.

- **MBBS Results:** The pass percentage in the final MBBS examinations for the batch graduating in March 2020 was commendable, with more than 90% success rate. This highlights the effectiveness of our curriculum, mentoring, and exam preparation strategies.
- **Postgraduate Achievements:** Several postgraduate students excelled in their final exams
- **Research Publications:** Faculty and students contributed to the field of medical research with more than 25 paper publications in indexed journals. Topics ranged from innovative treatments in rural healthcare to cutting-edge advancements in medical technologies.

**Infrastructure Development:** PESIMSR continues to develop and enhance its infrastructure to provide a conducive environment for medical education and patient care.

- The teaching learning facility was updated with audio-visual aids to improve the learning experience for students.
- A fully equipped Clinical Skills Laboratory was established to provide students with hands-on training in various medical procedures before real-world application.
- The campus IT facilities were upgraded with high-speed Wi-Fi networks installed across the academic and hostel buildings to enhance e-learning capabilities and online research.

## Student Activities and Extracurricular Achievements

PESIMSR fosters an environment where students can develop leadership and teamwork skills through a variety of extracurricular activities.

- The Annual sports and college cultural competition was held in September/October 2019. The students and the staff participated in the events.
- **Community Outreach Programs:** Under the aegis of the National Service Scheme (NSS) unit, students participated in health camps, blood donation drives, and awareness campaigns in neighboring villages. A notable achievement was the organization of a Health Camp

## Research and Innovation

Research and innovation remain integral to PESIMSR's mission of advancing healthcare. The Medical Education Unit (MEU) organized multiple Faculty Development Programs during the academic year to keep the faculty updated on the latest trends in medical education and teaching methodologies.

## Healthcare Services and Community Outreach

PESIMSR continues to deliver high-quality healthcare services to Kuppam and its surrounding rural areas through its teaching hospital.

- **Patient Care:** The PESIMSR Hospital provided care to over 750,000 outpatients and 71,000 inpatients during the year.
- **COVID-19 Preparedness:** With the emergence of the COVID-19 pandemic in early 2020, PESIMSR played a pivotal role in the region's response. The hospital set up a COVID-19 Isolation Ward, in compliance with government protocols, and conducted awareness campaigns in the community to promote safety measures and hygiene.
- **Organ Transplant Initiative:** As part of the institution's social responsibility, PESIMSR initiated an Organ Donation Awareness Program to sensitize the public on the medical, legal, and ethical issues surrounding organ donation and transplantation.

**Alumni Contributions:** The Alumni Association of PESIMSR remained actively engaged in the development of the institution.

## Institutional Governance and Quality Assurance

PESIMSR continues to focus on transparent, decentralized, and participatory management to ensure the institution's smooth functioning.

- **IQAC Initiatives:** The Internal Quality Assurance Cell (IQAC) conducted periodic reviews of academic and administrative processes to enhance the quality of education. IQAC introduced a new feedback system for students and staff to improve teaching-learning outcomes.
- **External Audits:** Financial and academic audits were conducted throughout the year, ensuring compliance with institutional goals and government regulations.

The academic year 2019-20 has been a year of considerable progress and achievement for PESIMSR, Kuppam. The institution has taken significant steps towards enhancing its infrastructure, academic programs, healthcare services, and community engagement. With a continued focus on innovation, research, and holistic student development, PESIMSR remains committed to its vision of becoming a leader in medical education and rural healthcare.

The challenges posed by the COVID-19 pandemic have only strengthened our resolve to provide quality medical education and healthcare services, and the institution looks forward to further milestones in the coming years.
