PES Institute of Medical Sciences and Research

Teaching Learning Facilities

PES Institute of Medical Sciences and Research (PESIMSR) is committed to providing state-of-the-art facilities that cater to the diverse needs of medical education and research. The infrastructure and resources available at PESIMSR ensure an optimal environment for teaching and learning, adhering to the standards stipulated by relevant regulatory bodies.

ICT-Enabled Classrooms

PESIMSR boasts well-designed classrooms equipped with modern amenities to enhance the learning experience. Many of these classrooms are ICT-enabled, featuring advanced audio-visual aids, interactive whiteboards, and high-speed internet connectivity. This integration of technology facilitates interactive learning, online lectures, and virtual dissections, making the learning process more engaging and effective.
